
PERSONAL PROFILE

I am a web developer with 5+ years of experience. I have a strong passion for technology and thrive in problem-solving situations. I am a clear and effective communicator able to understand both colleagues and clients requirements. I am hardworking and reliable, and I look forward to actively contributing to the overall success of a business I'm working for.

-

TECHNICAL SKILLS

Languages: HTML, PHP, CSS, JavaScript

CMS/Frameworks/Libraries/Other: WordPress, Laravel, Tailwind, Bootstrap, SQL, Git

HOBBIES AND INTERESTS

I have a keen interest in music, listening to a variety of genres every day. I love to socialise with my friends and family, watching films and TV, playing pool, solving puzzles, watching an array of sports and helping other people.

I have also been doing small projects (websites etc) in my spare time over the years of learning web development.
